Role of the Board of Education

The board of education (board) is charged by the Legislature with the duty of providing public elementary and secondary education to the citizens of the district. The Legislature has also created the State Board of Education and the State Department of Education, and has delegated certain regulatory and advisory functions to them. The board is responsible to these agencies as specified by law.

The board's primary duties are: (1) to establish a mission, goals, and policies; (2) to establish and maintain school facilities; (3) to select a superintendent; (4) to adopt a fiscally responsible budget; and (5) to evaluate programs.

1. Establishment of Mission, Goals and Policies

The board shall concern itself with broad questions of mission, goals and policy, rather than administrative details. The application of policies is an administrative task to be performed by the superintendent of schools and his or her administrative staff, who shall be held responsible for the effective administration and supervision of the entire school district.

2. Establishment and Maintenance of School Facilities and Other Resources

The board is the legal agency through which the community works to provide the physical facilities, curriculum, instructional supplies and staff to enable the district's mission and objectives to be carried out. The board will establish and maintain school facilities necessary to educate the students of the district.

3. Selection of the Superintendent of Schools

The board will employ a superintendent of schools as the chief executive to whom it will delegate the administration of the school program. As the chief administrator for the board, the superintendent will implement board policies and supervise the day-to-day operation of the school system. The superintendent will keep the board informed of the implementation of the plans and policies, and will recommend changes to policies as necessary. The superintendent will furnish educational leadership to the board, the school staff, and the community.

4. Fiscally Responsible Budget

The board will annually adopt a fiscally responsible budget that will permit the district to accomplish its goals and objectives. The management of the financial program and the development of the proposed budget for the district is delegated to the superintendent.

The board will work for adequate and dependable financial support of the public schools, promotion of effective and efficient organization, and administration of the district.

5. Evaluation of Program

The board will evaluate, or cause to be evaluated, the progress and results of the educational program on a continuous basis. In making these evaluations, the board will seek and give appropriate weight to the superintendent's analysis and recommendations.

This shall not apply to publicly traded stock under a trading account if the board member reports the name and address of the company and stockbroker.

b. A business association shall be defined to include an individual as a partner, limited liability company member, director or officer, or a business in which the individual or member of the immediate family is a stockholder.

c. Immediate family member or member of the immediate family shall mean a child residing in an individual's household, a spouse of an individual, or an individual claimed by that individual or that individual's spouse as a dependent for federal income tax purposes.

2. Contracts with the School District.

a. No board member or member of his or her immediate family shall enter into a contract valued at two thousand dollars or more, in

any one year, with this school district unless the contract is awarded through an open and public process that (1) includes prior public notice and (2) allows the public to inspect during the school district's regular office hours the proposals considered and the contract awarded. Board members who enter into employment contracts with the school district must also comply with the board's policy on the employment of board members.

- b. The existence of any conflict of interest in any contract in which the board member has an interest and in which the school district is a party, or the failure to make public the board member's interest known, may render a contract null and void.
- c. The prohibition of a conflict of interest or requirement for the board member to make public notice shall apply when the board member, or his or her parent, spouse, or child has a business association with the business involved in the contract or will receive a payment, fee, or commission as a result of the contract.
- d. The prohibition in this section does not apply if the contract is an agenda item approved at a board meeting and the board member:
 - (1) Makes a declaration on the record to the school board regarding the nature and extent of his or her interest prior to official consideration of the contract;
 - (2) Does not vote on the matters of granting the contract, making payments pursuant to the contract, or accepting performance of work under the contract, or similar matters relating to the contract, except that if the number of members of the school board declaring an interest in the contract would prevent the board with all members present from securing a quorum on the issue, then all members may vote on the matters; and
 - (3) Does not act for the school board as to inspection or performance under the contract in which he or she has an interest.

3. Contracts with Board Member's Immediate Family.

a. If a person in a board member's immediate family is an employee of this school district, the board member may vote on all issues of a contract which are generally applicable to:

- (1) All district employees.
- (2) All employees within a specific classification but which does not single out the member of his or her immediate family.

 - (iii) who is not required to perform the duties of the position.
- (3) The board makes a reasonable solicitation and consideration of applications for employment.
- (4) The board member makes a full disclosure on the record to the governing body of the school district and to the secretary of the board. If the secretary of the board of education would be the individual filing the disclosure statement, the statement shall be filed with the president of the board of education.
- (5) The board approves the employment or supervisory position.

- b. The board has not terminated the employment of another employee so as to make funds or a position available for the purpose of hiring an immediate family member.
5. Gifts, Loans, Contributions, Rewards, or Promises of Future Employment
- a. No board member shall offer or give to the following persons anything of value, including a gift, loan, contribution, reward, or promise of future employment, based upon an agreement that a vote, official action, or judgment would be influenced thereby:

 - (3) a business with which an individual listed in Subparagraph (1) or (2) above is associated.
 - b. No board member shall solicit or accept anything of value, including a gift, loan, contribution, reward, or promise of future employment based on an agreement that the vote, official action, or judgment of the board member would thereby be influenced.
 - c. A board member shall not use or authorize the use of his or her public office or any confidential information received through the holding of a public office to obtain financial gain, other than compensation provided by law, for himself or herself, a member of his or her immediate family, or a business with which he or she is associated.
 - d. A board member shall not use personnel, resources, property, or funds under his or her official care and control other than in accordance with prescribed constitutional, statutory, and regulatory procedures or use such items, other than compensation provided by law, for personal financial gain.
6. Conflict of Interest Relating to Campaigning or Political Issues
- a. Except as provided below, the board shall not authorize the use of personnel, property, resources, or funds under its jurisdiction for the purpose of campaigning for or against the nomination or

election of a candidate or the qualification, passage, or defeat of a ballot question.

- b. This does not prohibit the board from making school district facilities available to a person for campaign purposes if the identity of the candidate or the support for or opposition to the ballot question is not a factor in making the facilities available or a factor in determining the cost or conditions for use.
- c. This does not prohibit the board from discussing and voting upon a resolution supporting or opposing a ballot question.
- d. This does not prohibit the board, while legally seated as a body, from responding to specific inquiries by the press or the public as to the board's opinion regarding a ballot question or from providing information in response to a request for information.

- (1) The board may designate one or more members of its body, or one or more of its school administrators, to speak on behalf of the board on specific occasions such as public meetings or legislative hearings.
- (2) Any member of the board may present his or her personal opinion regarding a ballot question or respond to a request for information related to a ballot question; but in so doing, the person should clearly state that the information being presented is his or her personal opinion and is not to be considered as the official position or opinion of the board. However, this shall not be done during a time that the individual is engaged in his or her official duties.

7. Conflict of Interest Statement

- a. Any board member who would be required to take any action or make any decision in the discharge of his or her official duties that may cause financial benefit or detriment to him or her, a member of his or her immediate family, or a business with which he or she is associated, which is distinguishable from the effects of such action on the public generally or a broad segment of the public, shall take the following actions as soon as he or she is aware of such potential conflict or should reasonably be aware of such potential conflict, whichever is sooner:

- (1) Prepare a written statement describing the matter requiring action or decision and the nature of the potential conflict;
 - (2) Deliver a copy of the statement to the school board secretary who shall enter the statement onto the school district's public records; and
 - (3) Abstain from participating or voting on the matter in which he or she has a conflict of interest.
- b. If the board member would like a formal opinion from the NADC as to whether there is an actual conflict of interest, he/she shall deliver a copy of the statement to the NADC.

8. Recordkeeping

- a. The board secretary shall maintain a separate record of the following information for every contract entered into by the school board in which a board member has an interest and for which disclosure was made pursuant to section 2d of this policy:
- (1) The names of the contracting parties.
 - (2) The nature of the interest of the board member in question.
 - (3) The date that the contract was approved.
 - (4) The amount of the contract.
 - (5) The basic terms of the contract.
- b. The information supplied relative to the contract shall be provided no later than ten (10) days after the contract has been signed by both parties. The ledger kept by the board secretary shall be available for public inspection during normal working hours of the office in which it is kept.

9. Conflict. To the extent that there is a conflict between this policy and the Nebraska Political Accountability and Disclosure Act ("Act"), the Act shall control.

2006 Complaint Procedure

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to complaints unless the complaint is subject to a different procedure required by law, policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems at the lowest level of the chain of command. When those efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth in any specific policy addressing those areas or the procedures set forth below. Allegations of sex discrimination covered by Title IX will be addressed through the board's Title IX policy.

References to "coordinator" in this policy refer to the board-designated coordinator for the applicable area, such as the Section 504 Coordinator for allegations of disability-based discrimination.

A preponderance of the evidence will be required to discipline a party accused of misconduct. This means that the investigator must conclude that it is more likely than not that misconduct occurred.

Complaint and Appeal Process.

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if complainant reasonably believes speaking directly to the person would subject complainant or complainant's student to discrimination or harassment.
2. The second step is for the complainant to speak to the building principal, coordinator, superintendent, or president of the board of education, as set forth below. Anyone with questions about the appropriate person to speak with may request clarification from the superintendent.
 - a) Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.

- 2) All witnesses and documents which the complainant believes support the complaint;
 - 3) The action or solution which the complainant seeks.
 - d) Respond to the complainant. If the complaint involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the administrator or coordinator receives the complaint.
4. If either the complainant or the respondent is not satisfied with the decision, he or she may appeal the decision to the superintendent. The superintendent may assign a qualified designee to hear any appeal. This provision applies to appeals under the board's policies governing complaints of discrimination or harassment, including Title IX and any other policy with a separate grievance or complaint procedure, unless that other procedure includes its own appeal process. All requirements for appeals within any other policy apply, and in addition to those requirements, the following also apply.
- a) The appeal must be in writing.
 - b) This appeal must be received by the superintendent no later than three (3) calendar days from the date of the decision.
 - c) For complaints addressed through other applicable procedures that do not include a separate investigatory process, the superintendent will investigate as he or she deems appropriate.
 - d) The superintendent will prepare a written decision and provide it to the complainant and any other person entitled by law to receive the appeal decision. For complaints involving discrimination or harassment, the superintendent shall submit the decision within 180 calendar days after the superintendent received complainant's written appeal. Appeals to the superintendent from complaints involving discrimination or harassment are final once the superintendent delivers the written decision, as are all other appeals/complaints to the superintendent unless the complaint can be appealed on the limited grounds to appeal to the board below.

Superintendent, the board president shall submit the decision within 180 calendar days after receiving the written appeal.

- h) There is no appeal from any decision of the board unless authorized by law.
6. Formal complaints about the superintendent shall be filed with the president of the board. However, complaints about the superintendent do not include disagreement with the superintendent's decision on appeal based on a complaint of discrimination, harassment, or action of any other employee who is not the superintendent. Upon receipt of a complaint, the board president or his or her designee shall promptly and thoroughly investigate the complaint, and shall:
- a) Coordinate with school district staff, other than the superintendent, to determine if another procedure in policy or law requires the complaint against the superintendent to follow another procedure. If so, the board president will coordinate handling the complaint through that procedure. If another procedure applies, such as in the case of allegations of sex discrimination against the superintendent, the board president or, at his or her discretion, the full board will serve only to hear any appeal by a party to the complaint.
 - b) Determine whether the complainant has discussed the matter with the superintendent.
 - 1) If the complainant has not, the board president or designee will urge or require the complainant to discuss the matter directly with the superintendent, if appropriate or required.
 - 2) If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.
 - c) Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting by the full board.

disability or will provide prior written notice of the district's refusal to do so.

Bad Faith or Serial Filings. The purpose of the complaint procedure is to resolve complaints at the lowest level possible within the chain of command. Individuals who file complaints (a) without a good faith intention to attempt to resolve the issues raised; (b) for the purpose of adding administrative burden; (c) at a volume unreasonable to expect satisfactory resolution; or (d) for purposes inconsistent with the efficient operations of the district may be dismissed by the superintendent or board president without providing final resolution other than noting the dismissal. There is no appeal from dismissals made pursuant to this section.

immediately following their participation in any activity approved by the board.

- d. It is in the best interest of this school district to recognize service by board members, employees, and volunteers. Indemnification and Liability Insurance

In addition to circumstances where it is obligated to provide indemnity or procure insurance, the school board has broad authority to purchase insurance or otherwise indemnify school board members, officers, employees, or agents of the school district. The school board will purchase liability insurance and provide indemnification at its discretion and review its current coverages and indemnification obligations when it deems appropriate.

In the event the school district's current insurance, indemnification agreements, contract obligations, or other promises to indemnify do not cover a situation which the school board can agree to cover, the school board may authorize indemnification. The school board may elect to indemnify any board member, officer, agent, or employee if he or she is a party or is threatened to be made a party in any pending or completed suit, proceeding, or any other action, whether criminal, civil, administrative, or investigative, if the individual is involved because of current or past service on the board, employment, or agency relationship with the school district. However, the indemnification and defense will only be considered if such person acted in good faith and in a manner he or she reasonably believed to be in the best interests or not opposed to the best interests of the school district, including in a criminal proceeding if he or she had no reasonable cause to believe the conduct was unlawful.

In circumstances involving employees, the board delegates to the Superintendent the authority to provide the indemnification to the extent the Superintendent is authorized to procure legal services, as long as the indemnification is otherwise consistent with the authority granted under the law.
